## ABOUT THE LODGE

Peace of Earth (an eco-friendly lodging experience) offers you the chance to relax and enjoy nature in a comfortable homey atmosphere in all seasons of the year. We offer accommodations for every taste and need...guest rooms, cabins, a screened-in Tree House, and primitive remote camping.

This passive solar home offers a breathtaking view of the forest from almost every room in the house and the views from the cabins are just as inspiring. Sunrises and sunsets, as well as a nighttime-sky filled with more stars than you've ever seen, are regular entertainment at Peace of Earth Lodge. You can wake in the morning to a symphony of birds and/or experience the nightly serenade of the resident frogs, insects, and owls.

Let Peace of Earth become your destination! Come and simply enjoy our lodging accommodations and the stress reducing qualities of nature or let us help you plan a Lodging Package that can include several of our popular activities.

## ABOUT THE ACCOMODATIONS

Guest rooms, cabins, and the ever-popular Tree House include queen-sized beds and a sitting/reading area. All our lodging accommodations are TV, telephone, and internet free. Our great room in the Lodge includes a common area and dining room, both of which feature amazing wildlife viewing through the south-facing forty-foot-long window wall. Cedar decks wrap the Lodge and offer tree-top dining or relaxing. You will find many sustainable and energy saving components incorporated into Peace of Earth Lodge and grounds which adds to the quality of your experience here. We also offer campsites and remote camping on our 30 acre property. All accommodations are smoke free. A delicious breakfast is included with your lodging (Vegans can be accommodated.)
